November 3, 2022

Dear Patients,

Thank you for your trust and support over the years. I have truly enjoyed caring for your health. I am announcing that as of November 25, 2022 I will be transitioning from my current role as Regional Medical Director to Supervising Physician.

I will no longer be seeing patients but you can continue to receive excellent healthcare from my colleagues Lloyd Piña, Ghayathri Devaraj, FNP-BC, and Stephanie Cano Sanchez, NP at the same MD Family Clinic Marsh location. I trust that our amazing team of healthcare providers will be available to care for all new and established patients.

Please know your medical records are confidential and will remain on file at the same clinic location where you received care. In the event you would like to have your records released to you or transferred to another doctor outside of MD Medical Group, you can request a copy by filling out an authorization form and returning it to our clinic.

If you have any questions about this transition, please contact us at 214-358-0090.

Sincerely,
